

Session Program

Nov 14 - 16, 2025

Information+ 2025 Presentations Session

Sat, November 15

10:40 AM

Session: Critical Data Visualization

Session | Location: | Convener: Catherine D'Ignazio

10:40 - 10:50

Pluriversal Civic Encounters: experimental practices of participatory data visualisation from the local

10:50 - 11:00

Timeline Architectures: Platform Temporalities and the Design of Online Attention

11:00 - 11:10

Visualizing Salary Inequity: Data as a Catalyst for Institutional Change in Higher Education

11:10 AM

11:10 AM

Session: Q&A

Session | Location:

11:20 AM

11:20 AM

Session: Invisible to Visible

Session | Location: | Convener: Skye Morét

11:20 - 11:30

The Atlas of Popular Transport: Subverting the Atlas as a Tool of Collective Intelligence

11:30 - 11:40

In Plain Sight

11:40 - 11:50

EMOTIONAL GEOGRAPHIES OF THE MEDITERRANEAN

11:50 AM

11:50 AM

Session: Q&A

Session | Location:

12:00 PM

1:40 PM

Session: Visualization and Feminism

Session | Location: | Convener: Catherine D'Ignazio

13:40 - 13:50

Data feminism in action: mapping Urban Belonging in Copenhagen with experimental visualization and participatory GIS

13:50 - 14:00

Soft Sites: Textiles as Feminist Praxis

14:00 - 14:10

Lost in Transliteration: Visualizing the Algorithmic Misreadings of Chinese Names

2:10 PM

2:10 PM

Session: Q&A

Session | Location:

2:20 PM

2:20 PM

Session: Data Visualization, Collaboration, and Latin America**Session** | **Location:** | **Convener:** Pedro M. Cruz

14:20 – 14:30

Distance Unknown: Visualizing the Costs and Risks of Migration in the Americas

14:30 – 14:40

Sparkling conversations with data to empowering communities in Latinoamerica

14:40 – 14:50

Mapping Shelter, Modeling Care: Participatory Spatial Data from Migrants in Transit

2:50 PM

2:50 PM

Session: Q&A**Session** | **Location:**

3:00 PM

3:20 PM

Session: The Philosophy of Data and Design**Session** | **Location:** | **Convener:** Crystal Lee

15:20 – 15:30

Theories of change in visualization

15:30 – 15:40

Books that describe the world through the eyes

15:40 – 15:50

Echoes of Knowing: Toward an Acoustic Epistemology of Information

3:50 PM

3:50 PM

Session: Q&A**Session** | **Location:**

4:00 PM

4:30 PM

Session: Data Visualization for Civics**Session** | **Location:** | **Convener:** Sarah Williams

16:30 – 16:40

Visualizing Environmental Justice: Shaping Urban Policy

16:40 – 16:50

Designing While Furious

16:50 – 17:00

Overcoming Epistemic Barriers in Data Advocacy: A Framework for Inclusive Information Design

17:00 – 17:10

From Data to Impact: Strengthening Pro-Democracy Work Through Design

5:10 PM

5:10 PM

Session: Q&A**Session** | **Location:**

5:30 PM

Sun, November 16

9:00 AM	Session: Data in Practice Session Location: Convener: Arvind Satyanarayan
	09:00 – 09:10 Explaining Geopolitics Through Data and Geography: The Financial Times' Visual Storytelling Approach
	09:10 – 09:20 What it takes to design visual stories in local journalism
	09:20 – 09:30 The Design Work You Don't See: How Practitioners Frame Problems Before Visualizing Anything
	09:30 – 09:40 "Do This Instead": 4 Powerful (and Empowering) Alternatives to Common Charts
9:40 AM	
9:40 AM	Session: Q&A Session Location:
10:00 AM	
10:40 AM	Session: Data and the Environment Session Location: Convener: Skye Morét
	10:40 – 10:50 Deep Sea Literacy: Cartographic Activations for Planetary Hydro-Commons
	10:50 – 11:00 Fragile Frontlines: An Atlas of Loss and Damage in the Third Pole
	11:00 – 11:10 The Vital Aesthetics of Biodiversity Data: Reconnecting Ecological Relations within Digital Systems
11:10 AM	
11:10 AM	Session: Q&A Session Location:
11:20 AM	
11:20 AM	Session: Accessibility and Disability Session Location: Convener: Arvind Satyanarayan
	11:20 – 11:30 Beyond the Visual: Creating multimodal displays for maximizing ocean science engagement
	11:30 – 11:40 Decentering Vision in Accessible Visualization
	11:40 – 11:50 Reimagining Research: Gaming, Data + Research Integration
11:50 AM	

11:50 AM

12:00 PM

1:40 PM

Session: Q&A

Session | Location:

Session: Pedagogy and Experiments

Session | Location: | Convener: Crystal Lee

13:40 - 13:50 **Microbial Interfaces**13:50 - 14:00 **Does visualization help AI understand data?**

14:00 - 14:10

Pedagogies of Practice: Teaching Information Design in an Eco-Social Context

14:10 - 14:20

Flow States: Designing visually fluid visualisation and interface tools to support humanistic-centred enquiry and discovery.

2:20 PM

2:20 PM

2:40 PM

Session: Q&A

Session | Location:

2:40 PM

Session: Politics and Democracy

Session | Location: | Convener: Sarah Williams

14:40 - 14:50 **Visualizing Political Infrastructures of Inequality: A Radical Atlas**14:50 - 15:00 **The New Necro-Nominalism**

15:00 - 15:10

Data resistance: counter data practices against state-led urban redevelopment in Seoul's urban manufacturing district

3:10 PM

3:10 PM

3:20 PM

Session: Q&A

Session | Location:
